

AMRI Hospitals organized “ECHO & ECG Symposium 2016”

Bhubaneswar, 13th Jan, 2015: AMRI Hospitals, Bhubaneswar, has organized a Symposium on ECHO cardiography and ECG on 10th January 2016 at Mayfair Hotel, Bhubaneswar. This is the first time symposium on a such important topic has been organised in Odisha which will benefit the general physicians and general practitioners practising in remote areas where advance cardiac care are not available.

The focus of the Conclave was an advanced care for the cardiac patients. Dr. H. N. Mishra, former Head of cardiology and Interventional Cardiologist, SCB Medical college who chaired session and in his address talked about need for cardiac diagnosis facilities expansion to remote parts of Odisha . Mentioning the relevance of the hour, he said such topics are very useful for General Physicians & Practitioners.

Inaugurating the symposium, (Retd)**AdmDr.Salil Kr. Mohanty, SM, VSM, Vice-President & Unit Head, AMRI Hospitals, Bhubaneswar** said , “AMRI hospital will always continue to strive to keep highest standards of knowledge and care in the management of patients, and shall keep on organizing such kind of scientific events. AMRI Group is always keen to propagate transfer of knowledge and institute recent and advanced systems in the patient care and management. We believe that this symposium is going to benefit the General Physicians, young budding Cardiologists and General Practitioners of Odisha.

Dr Lingaraj Nath, Director, Cardiac Cath Lab, AMRI Hospitals and the Organising secretary of the symposium mentioned on his welcome speech, the need of education programme for cardiology in view of rising burden of heart disease in odisha due to urbanisation and environment pollution.

Dr. A. Sharda, Dr. Lingaraj Nath, Dr. Mahesh Agrawala, Dr. Saktimaya Mohapatra and Dr. Biswaranjan were the other speakers of the Symposium.

About AMRI Hospitals Ltd

AMRI Hospitals, a multi-speciality healthcare facility in Eastern India with specialization in Oncology, Neuro Sciences, Cardiac Sciences, Orthopaedics, Emergency & Trauma care, Gynecology & Childcare is the largest player in private sector with its existing strength of around 1000 beds. With its state-of-the-art equipment and modern facilities, AMRI is ensuring that people from Eastern India are provided affordable high quality medical care in the region, so that patients need not travel to other parts of the country for medical treatment. Capacity expansion is also underway at AMRI for additional beds in its existing facilities in Kolkata. A 400 bedded state-of-the art super-specialty hospital has recently become operational in Bhubaneswar. AMRI Hospitals will soon be setting up a new 400 bedded facility in West Bengal with an investment of Rs.500 crs. The Group is committed to serve the people of Eastern India and has plans to add another 600-700 beds in the next 3-4 years.
