

AMRI HOSPITALS ENTERS ODISHA

Sets up 400 bedded state-of-the-art Super Speciality Hospital in Bhubaneswar

“Our focus will be on affordable and technologically advanced healthcare to deliver clinical excellence and outstanding patient satisfaction. The management is committed to ensure accountability, transparency in administration. The opening of this hospital would also propel direct and indirect employment opportunities in the region” -Admiral Salil Kr. Mohanty, Vice President, AMRI Hospitals, Bhubaneswar

Bhubaneswar, 14th January, 2014: AMRI Hospitals Ltd, one of the largest and fastest growing hospital chain in Eastern India announced the launch of its upcoming **400-bedded tertiary care Super Speciality Hospital in Bhubaneswar, Odisha**. Slated to open soon, the Super Specialty Hospital will provide affordable tertiary clinical care and superior healthcare facilities to the people of Odisha and its adjoining states. The hospital is strategically located on a sprawling **5-acre land on Khandagiri (NH-5) bypass**, overlooking Jaydev Vatika, easily accessible to people from the city, its suburbs as well as the neighbouring states. **The state-of-the art healthcare facility has been conceptualised by a Singapore based architect - CIAP and Mumbai based firm EDIFICE has designed and executed the project.** The hospital will rank amongst the best in the country in terms of infrastructure providing an international ambience.
